## **Get Out of My Home**

Pipes run over sand,  
devils hand in hand –  
get out of my land

Hands off my oil.

Leave me just alone,  
this can't be your zone –  
get out of my home.

Hands off my soil.

Child's hunger, no food,  
taking all the goods –  
drive me out of mood.

Hands off my oil.

Your poisonous napalms,  
burn with no alarms –  
no dates on my palms.

Hands off my soil.

Constantly you fight,  
aggression is not right –  
get out of my sight.

Hands off my oil.
